

Shulamit Rabinovich, PE, Principal, Project Coordinator (M-22370)

Shulamit Rabinovich has over 26 years of experience in the design of mechanical systems for large healthcare facilities, including Hospitals, medical office buildings, clinics and central plants. She is familiar with Title 24 Administrative Code, OSHPD and Fire Marshal requirements. Ms. Rabinovich was a member of the Building Safety Board Committee overseeing the Office of State Health Planning and Development (OSHPD). Ms. Rabinovich has been a project leader responsible for all phases of design and construction and managed a team of 12 engineers and designers.

Professional Experience:

- Kaiser Los Angeles Medical Center - Hospital Replacement project, 448-bed, 900,000 sq. ft., \$240 million construction cost, Los Angeles, CA
- California Pacific Medical Center, Cathedral Hill - 600-bed, 1.7 million sq. ft., \$800 million construction cost, San Francisco, CA
- Mills-Peninsula Replacement Hospital - 232-Bed, 400,000 sq. ft. Hospital and 150,000 sq. ft. MOB, \$160 million construction cost, Burlingame, CA
- Kaiser Vallejo Medical Center – 2008 Tower, 188-Bed, 491,000 sq. ft., \$120 million construction cost, Vallejo, CA
- UC Davis Medical Center - Tower II, 464,000 sq. ft., \$120 million construction cost, Sacramento, CA. The mechanical design won First Place ASHRAE 2003 Technology Award for New Healthcare Facilities.
- Children's Hospital Oakland - New Patient Services Building, 222-bed, 400,000 sq. ft., \$112 million construction cost, Oakland, CA
- 1500 SVP Mental Health Facility, 1500-bed, 1,200,000 sq. ft., \$350 million construction cost, Coalinga, CA
- Kaiser Emeryville Medical Center - Hospital Replacement project, \$160 million construction cost, Emeryville, CA
- Kaiser Vallejo Medical Center – Central Utility Plant project, Vallejo, CA
- Apollo Lanka Hospital, Colombo, Sri Lanka – New Medical Center, Sri Lanka.
- Akshaya Apollo Hospital, Ahmedabad - New Medical Center, India.
- Stanislaus County - Mental Health Facility, \$7.5 million construction cost, Modesto, CA
- MacNeal Memorial Hospital - 220-Bed 300,000 sq. ft. Hospital, Central Plant, Laundry Rooms, Berwyn, IL
- Kaiser Fremont Medical Center - 202,000 sq. ft. Hospital, 8,000 sq. ft. Central Plant and General Services Building Remodel, \$50 million construction cost, Fremont, CA
- San Jose Medical Center - Perinatal Department Remodel and Master Plan for East Wing, 36,000 sq. ft., San Jose, CA

Education:

MS, Mechanical Engineering / 1967 - State Technological Institute, Odessa, USSR

Award:

First Place, ASHRAE 2003 Technology Award for New Health Care Facilities in "Recognizing outstanding achievement in the innovative design of buildings in the areas of occupant comfort, indoor air quality and energy conservation".

Registration:

Registered Mechanical Engineer in California and Nevada

Affiliations:

- BSB/OSHPD - California Building Safety Board (BSB) overseeing the Office of Statewide Health Planning and Development (OSHPD)
- BSB/OSHPD - BSB Mechanical/Electrical Committee
